Mr. Rodriguez

On behalf of Amerijet international Inc., I would like to take this opportunity to inform you that our company and the security department value the high standard of professionalism exhibited by the SMI staff while having had the security responsibility at Amerijet International.

They have been instrumental and demonstrating a high level of competence while Amerijet was undergoing the CT-PAT certification and ultimately validation process. In addition, they have established a high level of respect from representatives of TSA while they have been conducting different challenges through out our facilities. Moreover, understanding how demanding our organizations can be when managing multiple operational sites, SMI has always come through.

Should you decide to select SMI as your security company you will quite satisfied with there services.

Sincerely,

A handwritten signature in cursive script that reads "Jesus Bencomo".
